### □ **Before & After Photos of Sam's Botox**

Needless to say, the results are beautiful, and yes, " I " did Sam's Botox® injections. In addition to Botox®, I inject the entire Juvederm® Collection of fillers. The overall intent will improve fine lines and wrinkles, providing a more youthful & soft appearance.

*" Wrinkles Take Years to Create, but just minutes to Erase "*

### □ **Anti-aging Cosmeceutical Skin Care, Dermaplaning, & Facials**

Why wait to start the rejuvenation of your skin, consider making the positive change now. Set up an appointment with Sam, our Aesthetician. She will do an initial facial assessment, recommend a treatment plan, but one that is tailored to your individual skin care need. Both myself & Sam have and still utilize the anti-aging care that we recommend. All of which can include peels, cleansers, treatments specific to fine lines and wrinkles, daily moisturizer, and very important here in Arizona; sun block!! Here are a few specials Blue Skies is offering for the up-coming holiday season.

Dermaplaning: Normally \$120.00 on Sale \$100.00

Reparative Moisture Emulsion: Normally \$90.00 on Sale \$75.00

Fire & Ice Facials (Anti-aging facial with an essential oil massage. Great before a huge holiday event. Your skin will look flawless): Normally \$140.00 on Sale \$125.00

### ☐ **HCG Weight Loss Special**

This is fantastic, and the first time offered at Blue Skies. For 1 month only & 1 per patient: 1 full month of HCG sublingual tablets, 4 - B12 weekly injections (1 per week), 1 bottle of Chromium, and 1 bottle of Calm - \$300.00. Call for your Appointment Today. Offer will expire: 11/20/17

" You too can lose 12 - 15lbs Before the Holiday Seasons "

### ☐ **Designs for Health Medical Grade Vitamins**

Blue Skies is now providing to "our patients only " the ability to order Designs for Health (DFH), Professional Medical Grade Vitamins on-line. To re-cap on why we recommend the vitamins: to improve your over-all health & wellness with - Metabolic Synergy, to enhance your ability to control hunger with - Chromium, to boost your immune system with - Zinc, all of which can be taken during and after the completion of your weight loss plan of care. Remember, it is the "Science" behind a quality product that makes the difference, this is what we feel DFH offers. We not only recommend DFH to our patients, but we personally use the products as well. **Here is the Web address.** <https://blueskiesweightloss.ehealthpro.com>. **For questions, don't hesitate to call Blue Skies.**
