**DCI Desert Dialysis Sahuarita Celebrates 10 Years of Service
to the Green Valley and Sahuarita Communities**

Community is invited to tour the dialysis center on July 10th from 3:00 – 5:00 p.m.

Sahuarita, AZ (July 3, 2018) – Dialysis Clinic, Inc. (DCI) is hosting an open house at its facility, located at 1700 West Commerce Point Place, on Tuesday, July 10, 2018, from 3:00 – 5:00 PM, to celebrate 10 years of service to the Green Valley and Sahuarita Communities.

The public is invited to tour the facility, enjoy refreshments and meet key staff and leadership.

“DCI has a long-standing relationship with the community. We are delighted to be able to offer our dialysis patients a facility that provides a positive patient experience,” said Amy Del Toro, RN, nurse manager for DCI Desert Dialysis Sahuarita.

The facility began serving patients in 2008. The facility offers patients a bright and airy atmosphere, individual flat screen cable TV, and free Wi-Fi access. The open house is an opportunity for the community to meet the staff and nurses who are very excited to showcase the facility.

“Ten years ago, several community leaders and dialysis patients demonstrated a critical need for a local dialysis center. When we heard their stories and challenges, we were honored to be able build a facility in the Green Valley/Sahuarita area,” Larry Brauer, DCI Area Operations Director, said. “I hope the community will join us on Tuesday to see how we are currently serving the local dialysis patients.”

The 24-station facility currently offers in-center hemodialysis every Monday, Wednesday and Friday from 6 a.m. to 5 p.m. DCI Desert Dialysis Sahuarita is welcoming new patients and welcomes patients traveling to the area who may need dialysis.
